"PLANK OWNERS"

Be Part of Making a Home for
Marines and Family Members to

Gather.

Be Part of Preserving
our Heritage
and Traditions

Since December of 1973, and the founding of the Marine Corps League Detachment in Indianapolis, it has been a dream and goal for many long term members to create and maintain a museum and library in mid-America dedicated to Marines. With your help we can achieve this goal!

The Marine Corps League of Indianapolis in partnership with The Marine Foundation Indiana have taken on the responsibility of this venture. The building shown will house the Marine Foundation, the Hiram I Bearss MCL Detachment along with many other Marine Corps oriented organizations.

With an operating budget of over \$20,000/ year and a mortgage of over \$100, 000, funds are needed, thus the origin of the "Marine Barracks Indy Plank Program". In the US Naval service(of which the Marine Corps is included) being a "Plank Owner" is an honor. A "Plank Owner" is an individual who was a member of the crew when it was first commissioned. Today it means you have helped build Marine Barracks Indy.

Having the Title of "Plank Owner" includes certain rights and privileges including bragging rights of being part of a new venture for Marines in Indiana. For your generosity you will receive an everlasting memory, as well as the honor and title of "Plank Owner" to our new home.

Your donation will help perpetuate the heritage and tradition of our Corps. Semper Fidelis

Charles Haislip - M79 CEO/President

Gary Nasby - HIB Commandant
